The South American side must speak English as this guy doesn't translate

FSVP not as stringent for company doing less than 1 million

Will need a named person for audit purposes

Registration do yourself for free

Annual customs bond **700**

FSVP assistance **3500**

Would require tax returns or articles of incorporation to show company is small

500 to do customs filing entry

Go to wholefoods take a look at similar products, make sure label is exactly the same, saying label charge **isn't** needed
