Hi Soniya,

Really glad to receive your invitation to offer Agroverse cacao circles at the two events you are holding this month.

Here is a short excerpt about Agroverse.

Agroverse, a TrueSight DAO project, is committed to regenerating 10,000 hectares of Amazonian rainforest by supporting organic cacao farmers in reforestation previously deforested land, promoting ecological restoration and economic empowerment. Join us at our cacao circle to savor a cup of ceremonial cacao and experience the impact firsthand.

Do let us know the exact time and location to arrive on both days.

Warm regards
Gary
