Dear Jeferson,

## Re: Letter of Intent for Purchase of Organic Cacao Butter

I am writing to express TrueTech Inc's interest in purchasing up to 18 tons of organic cacao butter on an annual basis from Deep Company Ltda. We believe your company's products align with our quality standards and business needs.

As a next step, we would like to schedule a facility visit to inspect the machines used in producing the cacao butter. This visit will help us better understand your production process and ensure it meets our requirements.

Please let us know a convenient date and time for the visit. We look forward to discussing further details and potentially establishing a long-term partnership.

Sincerely,

Gary Teh  
President,
