Hey Andy,

great chatting, here are some of the information you requested

TrueSight DAO's constitution - the rules and governance of the community
<http://truesight.me/whitepaper>

Agroverse operating structure (*source, buy and sell cacao*)
<https://truesight.me/agroverse/whitepaper>

SunMint operating structure (financing the *planting trees in the Amazon rainforest*)
<https://truesight.me/sunmint/whitepaper>

This is the main ledger where voting right issues are trackined
<https://truesight.me/ledger>

This is the ledger financial transactions within the community are tracked
<https://truesight.me/physical-asset-transactions>

This is where we track the location of various assets owned by our DAO
<https://truesight.me/physical-asset-locations>

Listed are all the ledgers where financial transactions associated with various shipments of cacao are tracked
<https://www.truesight.me/agroverse>

I have already inserted your name in our member's directory,
<https://truesight.me/members-directory> (Line 44)

Once the proposal passes for accounting purposes when funds are transferred to you, the funds will be recorded as being under your management (*the ledger's in blue*) until you proved that they have been transferred back to us.

To do so, please us this form please do a screen shot of the transaction receipt and then submit via.
https://dapp.truesight.me/report_inventory_movement.html

Hear from you soon.
Gary
