Service Name, Details, and Timeframe (What service, where, what type, and when? Example: Amazon EC2, US East, t2.micro, March 2026 - May 2026. For multiple months, break down costs by month.) Attach Cost Explorer report above if available.: EC2

Reason for contacting us (Tell us why you're questioning this charge, when you first noticed it, and if you have any payment problems or delays in reporting it): We haven't heard back from you about this

Our account got hacked back in May. One of your staff mentioned that he will look into the amount incurred from the hack and get back to us on the refunds. We haven't heard from him at all.
