Invoice & provenance evidence

(a) Manufacturer invoice — Kraft pouches

Seller: Shenzhen Source Pack Co., Ltd. — Alibaba Trade Assurance Purchase Contract, Order No. **215516935501023771**, dated **2024-06-27**, Incoterms **DAP**.

- Primary line: Kraft stand-up ziplock pouch, **1,000 pcs @ USD 0.27 = USD 272.00**, plus assorted sample lots (~USD 125, 100 pcs each @ USD 0.05). Declared customs goods value **USD 400.00**.

- Ledger provenance: Main `offchain transactions` **r192** (2024-06-27) — USD 1,304.89 capital injection into TrueTech Inc for procurement of packaging from ShenZhen, shipped to Coopercabruca (Itabuna, BA).

(b) Freighting invoice

- Terms are **DAP** (seller-arranged delivery). A **freight value of USD 325.57** was declared on the Brazilian import assessment (line "Valor do Frete (USD)" on the UPS boleto below); no standalone carrier freight invoice has been located in the archive. The 2023 air/sea freight quotations on file (`20230620 ... air freight NH9099.23`, `... sea freight NH9104.23`) relate to a separate cacao shipment, not these pouches.

Scope note

Covers the **AGL16 -> TrueSight DAO** liability (the single `TrueSight DAO` creditor line in that ledger). Other managed ledgers (AGL6/8/10/13/14/15, BEC, SEF1) were not swept for additional `TrueSight DAO` creditor lines — request a fleet-wide roll-up if needed.
