Hi,

I'm reaching out from Agroverse to follow up regarding a potential partnership with Brasil Kiss Coffeebar in Los Angeles. During my recent visit on April 13th, your staff kindly directed me to reach out to you via this email address. I'm excited about the possibility of bringing our ceremonial cacao to your shop, as I believe it could resonate well with your customers and complement your unique coffeebar vibe.

Our cacao is sourced with care and crafted for retail, offering a distinctive product that could enhance your offerings. I'd love to discuss how we can collaborate, whether through consignment or direct retail, and answer any questions you might have. I'm happy to send over product details or samples if you'd prefer to start there.

Looking forward to hearing from you!

Gary
